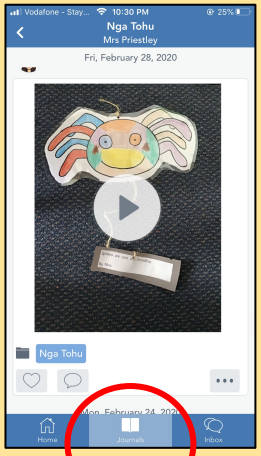
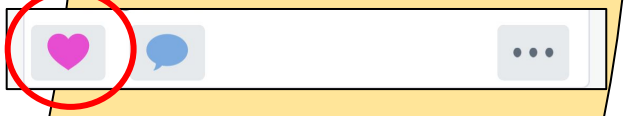
SEESAW PARENT CHEAT SHEET #3

Need some tips on how you can interact with student work on Seesaw?

Navigate through the journal for an item you want to interact with.

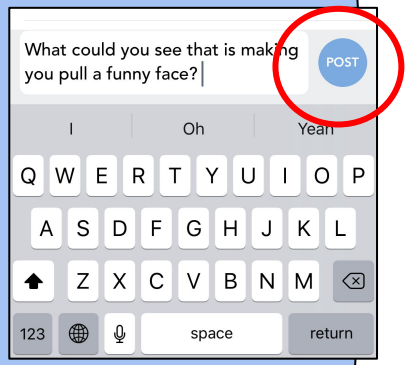


You can like it by pressing the heart.

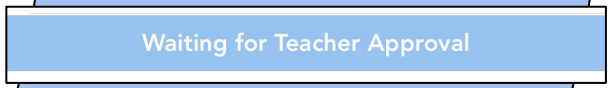


To comment you click the speech bubble.

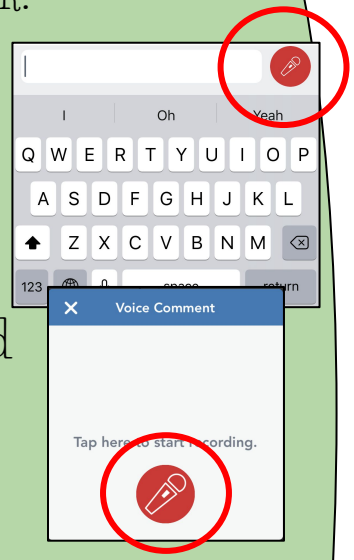
Type out your comment.



It will be approved by the teacher.

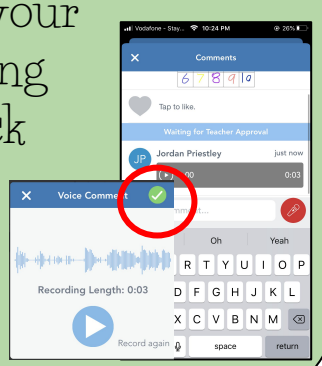


You can add voice comments on your child's work. Click the red record button.



Tap the red red button to start recording.

Check your recording and click the green check.



Visit my website or Youtube channel for more Seesaw help.
