

**Kodiak Island Borough School  
District** 722 Mill Bay Road  
Kodiak, Alaska 99615  
(907) 486-7574

To the Parent(s)/Guardian(s) of \_\_\_\_\_,

Your student was recommended to be tested for the Gifted and Talented program for Kodiak Island Borough School District. The KIBSD Gifted and Talented Program will use the SIGS (Scales for Identifying Gifted Students) form to help identify students that may be eligible for our gifted and talented program.

To help determine if your student may be eligible for gifted and talented services through KIBSD, we would like to know the degree to which your student exhibits several characteristics in comparison to his/her peers of the same age. There are seven different scales on the SIGS form to help evaluate your student including:

- Scale 1: General Intellectual Ability
- Scale 2: Language Arts
- Scale 3: Mathematics
- Scale 4: Science
- Scale 5: Social Studies
- Scale 6: Creativity
- Scale 7: Leadership

Please read the directions at the bottom of the first page for completing the SIGS form and complete the highlighted sections on the first page. Additionally, please complete the scales that have been highlighted throughout the form. It should take you about 10-20 minutes to complete this form. Please note that if you give six or more 4's on a specific scale, you will need to provide examples in the space provided below that scale.

Please complete the form and return it the Gifted and Talented department. After reviewing the results from the SIGS forms, you will be notified of any further steps we may need to take to see if your student is eligible for the gifted and talented program. If you have any further questions or concerns, please contact the Gifted and Talented department.

Thank you for all you do,
