Pick it apart and you will find

[Blank box for step 2]

#3

[Blank box for step 3]

#4

[Blank box for step 4]

C= _____

Topic
T#1 - What are owl pellets? How are they made? How did we learn about them?

T#2 - We needed tools to dissect the pills. What were the tools and what were they for?

T#3 - How did you "earn" your pellet? Give lots of details about the feel, look, and smell of it and about dig exploring it.

T#4 - _____ through it.

Share what kinds of bones you found. How many you found. What you did with the bones after school? What did your parents think at home?
